The League of Women Voters is a nonpartisan, nonprofit organization that works to increase informed and active citizen participation in government. Membership is open to all citizens 18 years of age and over. Associate membership is open to those who do not meet regular membership requirements of citizenship or age.

Information in the printed edition of this *Directory* was assembled and edited by League volunteers and was checked carefully and updated as of January 14, 2013. In some instances, it has not been possible to confirm officials' salaries. For the most part, the salaries published here are taken from *Tulsa World* web-accessible databases, which are compiled from information made available by the state, county, city, and public schools. Please notify the League of Women Voters office concerning any errors or changes. Previous printed editions: 1953, 1955, 1960, 1961, 1963, 1965, 1967, 1969, 1971, 1973, 1975, 1977, 1979, 1981, 1983, 1985, 1987, 1991, 1993, 1995, 1997, 1999, 2001, 2003, 2005, 2007, 2009, 2011, and 2012.

The *Directory* is also published on the web ([www.lwvtulsa.org/publications](http://www.lwvtulsa.org/publications)). The web edition will, to the extent practicable, be updated quarterly, and will, therefore, be more current than this 2013 printed edition.

# VOTER INFORMATION

## Qualifications for Voting

In order to vote, a person must be a citizen of the United States, at least 18 years of age, and registered to vote, and must reside in the county where registered.

## Voter Registration

Oklahoma citizens may register to vote by mail or in person. If registering by mail, a completed application is submitted to the Oklahoma State Election Board at the address specified on the application. Applications may be obtained at the County Election Board, at Oklahoma tag agencies, at most public libraries, at the State Election Board and at the headquarters of the League of Women Voters of Metropolitan Tulsa. If registering in person, applications are taken at the County Election Board, at any Oklahoma tag agency, at the League of Women Voters office, and at various temporary locations where voter registrars are present. The voter application form asks applicants to affirm that they will be at least 18 years of age on election day and a citizen of the United States. In Oklahoma, an applicant may register as an Independent, a Democrat or a Republican. A person will receive a voter identification card by mail from the County Election Board after the application is processed. Voters should take the identification card with them to the polling place on Election Day.

## Precinct Boundaries and Polling Sites

Each County Election Board sets precinct boundaries in accordance with state law and determines available precinct polling sites within that county. Polling sites are usually located within the precinct boundary, unless a suitable polling site cannot be found. In this case the County Election Board must obtain permission each year from the State Election Board to locate a polling site outside the precinct boundary. For information about your precinct or polling place you may call your County Election Board or State Election Board (405-521-2391).

In Tulsa County you may also call the League of Women Voters at 918-747-7933. Hours are 10:00 am to 2:00 pm weekdays.

## Primary Elections

Primary elections held in Oklahoma are known as "closed primaries." In a closed primary, a person must be a registered member of a political party in order to cast a vote in that political party's primary election.

## Voter ID

On July 1, 2011, Oklahoma's Voter ID law took effect. Oklahoma voters will be asked for proof of identity whether they are voting at their polling place or voting early at the Tulsa County Election Board.

According to the Election Board, accepted documents for proof of identity for voting purposes must have been issued by the federal, state or a tribal government and must include the voter's name, photograph, and an expiration date that is after the date of the election in which the voter is attempting to vote. Voters also may use a voter identification card or a temporary voter identification document issued by the County Election Board. The name on the document used for proof of identity must substantially conform to the name in the precinct voter registry.

## Absentee Voting

Absentee voting is an easy and convenient way for citizens to exercise their right to vote. Any registered voter in Oklahoma may vote by absentee ballot. It is not necessary to give a reason for voting absentee. It is imperative that people apply well before an election to assure that the County Election Board has time to process the application and mail specific ballots prior to an election.

Applications for absentee ballots must be made in writing, either on an application form (available from the County Election Board or the State Election Board and some Election Board websites) or by a letter to the County Election Board. The letter must contain the following information: name, birth date, political affiliation, registration address, the election or elections for which you are requesting ballots, the address where the ballots should be mailed and your signature. If you are applying for a municipal or school board election, you must include your municipal district or school district.

The local County Election Board is required to mail ballots for the requested elections to the voter. The affidavit envelope must be notarized, or witnessed by two persons if the voter is physically incapacitated. The voted ballots must be returned *by mail* to the County Election Board. Allow several days for delivery. *The ballot must be received prior to 7:00 pm on election day in order to be counted.* Voters may cast an absentee ballot in person at the County Election Board office before every election. This method of voting is called Early In-Person Absentee Voting and is conducted between 8:00 am and 6:00 pm on the Friday and Monday prior to every election. In federal and state elections, Early In-Person Absentee Voting is also conducted on the Saturday prior to the election between 8:00 am and 1:00 pm.

Information on special laws pertaining to voter assistance, absentee balloting for the physically disabled and emergency absentee balloting is available at all County Election Boards.

# Tulsa City Government

The [Tulsa City Charter](#) establishes the structure of government and describes the powers granted to the city under the Oklahoma State Constitution. Pursuant to the Charter, the city has a Mayor/Council form of government. The nine member Council may submit changes in the Charter to the voters for approval.

The elected officials are mayor, city auditor and nine councilors. The mayor and city auditor are elected by all the voters of Tulsa. The councilors are elected by the resident voters in each of nine geographic city council districts. The mayor's term of office is four years. The auditor is elected for a two-year term. Councilors serve staggered three-year terms, with three councilors elected each November.

The local laws of Tulsa (called city ordinances) are passed by the Council, which is the legislative body. The mayor has 15 days either to sign or reject (veto) an ordinance. The vote of at least six councilors can override a veto. If the mayor neither signs nor vetoes the ordinance, it becomes law.

The Council, through ordinances and resolutions, provides for licenses, permits, and certificates which are issued by city departments and agencies. Appeals of such actions are subject to review by the Council. The Council approves the mayor's budget, and has the power to conduct investigations and hearings concerning the conduct of city government.

The mayor heads the executive branch of government. Among the powers and duties of the mayor are determining the needs and objectives of the city; preparing budgets and financial plans; keeping the peace; enforcing the laws; collecting, spending and tracking all moneys; managing the employees; and building the necessary streets, waterworks, sewers, storm drainage, trash disposal facilities, transportation systems, and other infrastructure as needed.

The city auditor independently reviews city accounts and activities for efficiency and effectiveness, and determines whether they are in accordance with laws, regulations, and proper governmental accounting principles. The auditor reports all findings in writing to the mayor and the Council.

# Oklahoma Judicial Offices

## STATE APPELLATE COURTS

All voters in Oklahoma vote by nonpartisan ballot to retain state appellate justices and judges who file for a new term of office or are to complete a term of the office to which they have been appointed because a vacancy existed. Appellate judiciary are appointed by the Oklahoma Governor from a list of three merit nominees submitted by the Judicial Nominating Commission, a body of thirteen state attorneys and laypersons who review all applications for vacant appellate judicial offices. All appellate offices are for designated districts for staggered six-year terms. Newly appointed justices must be retained by a vote of the people at the next statewide General Election.

At least one-third of all appellate offices appear on the retention ballot at each state general election. If a candidate is not retained by the voters, the Governor fills the vacancy with a merit nominee.

## OKLAHOMA SUPREME COURT

The Oklahoma Supreme Court has appellate jurisdiction in civil matters. There are nine Justices, who serve six-year terms. A justice is appointed from and must reside within a designated geographic district of the state. The Supreme Court sits in the State Capitol in Oklahoma City. The Chief and Vice Chief Justice are chosen by a majority vote of the justices.

The annual salary for the Supreme Court Chief Justice is \$147,000. The annual salary for the Vice Chief Justice and the Associate Justices is \$137,655. Salaries are established by the Board of Judicial Compensation, except when overturned by the Legislature. As a result of legislative action, Supreme Court Judges, like virtually all other State employees, have not received cost-of-living salary adjustments in more than six years.

**TULSA-PAWNEE DISTRICT COURT**  
**JUDICIAL DISTRICT #14**

The majority of Oklahoma's State Judicial Officers are the Judges of the District Courts. They are usually the first contact a citizen has with the judicial system. District Court Judges hear both civil and criminal matters. Nine Presiding Judges of Oklahoma's Judicial Districts are elected by the State District Court Judiciary to assist in the administration of the State's trial courts. These judges represent different geographic areas and meet monthly with

members of the Supreme Court and Court of Criminal Appeals to discuss trends, topics and developments that affect the administration of justice in Oklahoma.

Voters in Tulsa and Pawnee counties are in the 14<sup>th</sup> Judicial District, which has two associate District Judges (Tulsa and Pawnee Counties) and fourteen District Court judges. District judges are elected every four years. Election for District Court office is by nonpartisan ballot at the State General Election. In the 14<sup>th</sup> Judicial District, nine of the judicial offices are designated “at large” offices, to be elected by all Tulsa and Pawnee County voters; five offices are designated as electoral divisions within the geographic boundaries of Tulsa County, to be elected only by voters residing within a division. All incumbent judges who seek to retain office file as candidates for the state general election. If an incumbent draws no opponent, he or she retains that office for another four years. If more than one opponent files for a particular office, the opposing candidate is determined at the time of the state primary by the most votes. There is no run-off election for judicial office. Vacancies in District Court judicial offices are filled by appointment of the Governor from a list of three merit nominees submitted by the State Judicial Nominating Commission. All current office terms expire in December, 2014.

The Salary for the District Court Judges is \$124,373. Salaries are established by the Board of Judicial Compensation, except when overturned by the Legislature. As a result of legislative action, District Court Judges, like virtually all other State employees, have not received cost-of-living salary adjustments in more than six years.

### **City of Tulsa Municipal Court Judicial Offices**

The municipal courts of the cities of Tulsa and Oklahoma City differ from other Oklahoma municipal courts in being courts-of-record; that is, cases in these two municipal courts may be appealed directly to the Oklahoma Court of Criminal Appeals.

Municipal judges in Oklahoma are not elected by the voters but are appointed by the governing body of the municipality. The Tulsa City Council appoints municipal judges and alternate judges from the recommendations of a city Judicial Nominating Committee (JNC) comprised of nine persons: six attorneys and three laypersons. Three members of the JNC are appointed by the City Council, three by the Tulsa County Bar Association, and three by the mayor in office. The JNC recommendations to the City Council for full-time judicial appointment are based on written and oral comment from the public, the State Bar Association, court personnel, and personal observation of the full-time judges. The criteria used are adopted from the Oklahoma Code of Judicial Conduct.

The three full-time judges of the City Of Tulsa Municipal Court and ten alternate judges serve two-year terms; all of the current judges' terms expire June 30, 2013. Salary for the full-time judges is \$96,500, and for alternate judges \$40.38 per hour. Salaries are set by resolution by the Tulsa City Council.
